

SUDHANSU KANTH

A third year Electronics Engineering Student studying at SRM IST, Chennai. A talented and hard-working individual, I'm a go-getter with explosive interest in Web Design & Development, and an extensive knowledge about Graphic Design.
I'm dedicated and enthusiastic towards my work and have a strong interest in upcoming technologies especially in the IT industry.

WORK EXPERIENCE

Although I'm an Electronics Engineer, I have interests and experiences in many fields, ranging from Data Sciences to Web Design. I have worked with several organisations like TCS, HappCoach, WebArch, NeuroNerdz etc. I'm looking for professional exposure and hands-on work experience while proving as an asset in a thriving organisation.

2017-2018 INTERN, LOLLYPOP

Trained in UI/UX design using Adobe Creative Suite at Lollypop, Bangalore.

2017 INTERN, TATA CONSULTANCY SERVICES

Got selected for Machine Learning internship in TCS, Delhi. Trained in Data Analytics and Linear Regression using Kaggle as a Deliverable.

2016-2018 INTERN, HAPPCOACH

Graphic Designer at HappCoach, Mumbai. Initial tenure of 2 months extended to 2 years based on performance.

PROJECTS

2017-2018 HIRE APP

Developed UI/UX design for SRM Placement App in Webarch. Also co-designed webarchsrm website

2017 SMART WASTE DISPOSABLE SYSTEM

Developed a smart waste management system (+app) that uses sensors and IoT infrastructure to minimise resources wasted. Also won GenHyb Hackathon for this project
